

Languages for Specific Purposes in Higher Education: Current Trends, Approaches and Issues

10-11 November 2017
Brno, Czech Republic

It is a great pleasure to invite you to the international conference organized by the Institute of Foreign Languages, Faculty of Mechanical Engineering, Brno University of Technology. The conference aims at exploring current concerns of LSP in order to find out in which direction the field is moving and is a great opportunity for networking.

Topics of interest include:

- Teaching writing skills
- Teaching languages to students with special needs
- Teaching LSP a communication skills
- Technologies and Media
